POLICY DOCUMENT OF E-GOVERNANCE IN THE COLLEGE

In the field of education, E-governance has changed the way of administration. E-Governance is designed to make the administration system user-friendly, time saving and cost saving also. It is a consolidated solution for college that empowers the governing bodies to maintain the large volumes of information such as: registration, admission, time table, library, salary, examinations, performance, hostels, security, reports, management, staff details and fees in an institution.

OBJECTIVES:

- ✓ To reduce duplication.
- ✓ Easy and speedy access to information and reports.
- ✓ Significant reduction of transaction costs, time, space, and manpower.

GOVERNING BODY RESOLUTION:

The Governing Body of the college had resolved in its meeting to introduce the E-Governance in the college that can help the management to administer, and control over the structure, processing and overall functioning of the college.

STATUS OF IMPLEMENTATION:

The college has implemented e-governance in the following areas

- 1) Student Data & Admission: Student Data and Admission process is conducted through Website www.dalgomaanchalikcollege.co.in, which is designed and developed by S.S. Technologies.

- 2) Office Automation: Office Automation satisfies both the students and staffs affairs including work arrangement, biographic details, class management etc.
- 3) Online Salary: In case of salary, college utilized finassam /SBI Net-Banking online platform for payment of monthly salary and related matters
- 4) E-Learning: E learning has been implemented in the college where in faculty members and students have been utilizing various platforms of e teaching and learning
- 5) Library: E-governance is also implemented in the college. Students can access the catalogues, OPAC, e-books and the issue and return services are also carried out through SOUL Software.
